Respected Sir,

I am Afreen Saad Mandlekar mother of Aqsa S. Mandlekar. She is a good student of Ocean Bright Convent high school and studying in 8th Std and she wants to continue her studies in the same school. Previous year your foundation helped her in the school fees.

Please this year also grant me some help from your foundation. My financial condition is very poor.

I am requesting you to kindly grant me some help this year also.

Thanking You.
