The Director,  
United Welfare Foundation (UMF)

Subject: Request for financial Assistance for my Son

Respected Sir,

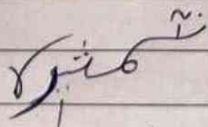

I, Shamshida Ansari, mother of Ansari Owais Mohammed Arif, am writing to request financial support for my son's education. He is currently studying in the final year of B.E in Mechani Engineering at Rizvi College of Engineering.

Our family's primary source of income is from a small shop, which barely covers our basic living expenses. Due to our limited financial condition, it is becoming increasingly difficult to afford his college fees and other academic.

I sincerely request the United Welfare foundation to kindly consider our situation and grant financial assistance to help my son continue his education smoothly.

Thank you for your kind consideration.

yours Sincerely,  
Shamshida Ansari
